

Full Closure of the Main Access Road coming from Penzendorf in the direction of Schaftnach

In finalizing the junction reconstruction works on state road St 2239, the Bavarian State Building Authority will close the road between Schaftnach/Penzendorf junction (B 2) and Niehoff company in two construction phases to apply a new road surface and install crossings of cables for the traffic lights:

Construction phase 1: Monday, July 1st to approx. Sunday, August 4th

Complete closure of the St 2239/SC 2 (junction of the road from Schwanstetten/Schaftnach onto the Penzendorf-Neuses link) to the eastern freeway entrance ramp of the B2, including the ramp onto the B2 in the direction of Augsburg at motorway junction Penzendorf from July 1st until the beginning of August (approx. August 4th). It will be possible to exit the B2 coming from Roth in the direction of Wendelstein. A signposted diversion route will be set up.

Construction phase 2: Monday, August 5th to approx. September 8th

Complete closure of the St 2239 from the Schwarzach junction to the Niehoff access road including the freeway entrance ramp onto the B2 in the direction of Nuremberg at motorway junction Penzendorf from the beginning of August (approx. August 5th) until the beginning of September (approx. September 8th). A signposted diversion route will be set up.
